

Dear Families,

As most of you know, the YMCA is going to be running the Early Arrivals program at Brassfield Elementary for the 2007-2008 school year. We know that a lot of you have concerns and questions about this transition, and we are hoping that this letter will help.

For those of you who are currently enrolled in the Early Arrivals program at Brassfield, the YMCA will be coming to your school to allow you to register for next year's program on the morning of May 8th from 7:00am until 8:30am. If you are currently enrolled in the program, you will be guaranteed a place in the program for next school year. You will also be guaranteed a place for any siblings of current participants. The cost of the program for YMCA members is \$65.00 a month and for those who are not YMCA members is \$74.00 a month. We do have financial assistance available. In order to apply for financial assistance, you will need to come by our YMCA at 9216 Baileywick Road to pick up an application and schedule an appointment.

The hours that the YMCA Early Arrivals Program will operate next year will be from 7:00am until the start of school. Many of the activities will be the same and some of the current staff will continue to work in the Early Arrivals Program.

The YMCA will also be operating an After School Program at Brassfield each afternoon from 3:45 until 6:00pm. We also offer Tracking Out care at our YMCA. For more information about either of these programs or questions about the Early Arrivals program, please see our website at [www.ymcatriangle.org](http://www.ymcatriangle.org) or call Kim Keith at 845-3875.

We are looking forward to working with you and your child!

Sincerely,

Kim Keith
